OUR BUREAU

Bureaucrats ranging from the retired to those in service called for a concerted effort to ensure that the social responsibility clause in the Companies Act-2013 would be implemented in letter and spirit.

They hoped that a watchdog-like body would monitor the provision that entitles earmarking a two per cent provision from the revenue generated for taking up Corporate Social Responsibility (CSR) programmes as has been recommended, and almost mandated, for all profit-making companies.

The key-note address during a seminar on 'CSR and Indian Sports', under the auspices of Sports Coaching Foundation (SCF), was delivered in the city late Monday by distinguished former bureaucrat R Rajamani, IAS who can be credited with pioneering the CSR concept during his stint in the Prime Minister's Office (PMO).

He said that if implemented in right earnest this would go a long way in addressing the basic needs, including in core segments like poverty elevation, environment protection and bio-diversity, health and promotion of sports.

The gathering attracted the cream of officials, including from banks, academics, police and industry captains.

Former bureaucrats V K Srinivasan IAS, Gopala Krishna IAS and Dr Chinappa Reddy Former Sports Advisor to Govt., incumbent officers, Jayesh Ranjan IAS, Rahul Boja IAS and S Chakravarthy IAS, former IPS Officer, MA Basith, current officers Rajeev Trivedi IPS and Soumya Mishra IPS and senior IRS officers Praneeth Sachdev and PN Rao also spoke.

Dr Raja ram, Director, NIFT, Dr Sastry, Professor at IDRBT, Girish Malpani from Big Bazaar Group, Aakash Bhandari from JP Morgan Chase and former Indian football captain, Victor Amalraj, were also present on the occasion.

They lauded the painstaking efforts being taken by K Saibaba, founding-Secretary of SCF, for taking forward the concept of promoting sports in the interiors and among the economically-backward sections as a social service free of any monetary returns.

In his speech, Saibaba hoped that Corporate Social Responsibility (CSR) would help to reach out to the poorer strata of the society where a rich sports talents are waiting to get tapped and promoted.
